Location

Crisa is located in Tres Cantos, a town 20km North of Madrid, inside the P.T.M., Madrid's Technology Park (Parque Tecnológico de Madrid, in Spanish). Tres Cantos can be easily reached by car or train either from Madrid or from Madrid-Barajas airport.

Transport by Car from the airport

From Madrid-Barajas airport, you'll need to go through the following roads: M-11, M-40 and M-607 for a total of 24 kilometres. Leaving the airport can be confusing, so in case of missing the M-11, always try to go towards M-40 (which circles Madrid) heading A-1 (or M-607 when it appears).

- Leave the airport towards M-11
- Once in the M-11, follow the signs towards M-40 pointing A-1, Feria de Madrid and/or M-607
- Take the exit #3 towards M-40 (A-1, M-607 and A-6)
- In the M-40, drive about 6 kilometres towards M-607 until exit #57
- Take exit #57 and head M-607 -Tres Cantos
- Once in the M-607, drive for 8 kilometres and exit at exit #21 pointing Tres Cantos Sur and Parque Tecnológico de Madrid
- Stay on the right lane heading Tres Cantos as you enter the city
- Go straight on the first roundabout
- On the second roundabout turn left (PTM is already signalled)
- On the third roundabout turn left again to reach the control gate of the PTM.
- Passed the control gate, turn right on the first street and drive until the end of the road. EADS Astrium Crisa premises are on the left.
